_____ Payment is due at time of service. We do not have a payment plan system.

_____ We gladly accept insurance and will bill your insurance company for you at no charge. However, it is important to understand that your insurance coverage is an agreement between you and them. It is best for you to understand your policy and coverage. Many insurance companies will only pay certain portions of the charge, cover certain percentages of procedures, or not cover some of the work at all. We do our best to navigate through this for you. However, you are ultimately responsible for all treatment rendered.

_____ We are here primarily to help you understand and maintain your oral health. In doing so, we understand your time is valuable to you and we promise to do our best to see you in a timely manner. Our time is valuable to us, too. If you need to reschedule your appointment, we ask you to give us 48 hours notice. If we get less than a 24 hour notice, we will consider this a "missed" appointment. We realize circumstances occur that keep you from keeping your appointment, however missed appointments are very disruptive to our staff. As a result, we charge \$50 per hour of appointment time for the second missed appointment. If this fee is not paid or a third appointment is missed, we will unfortunately have to discontinue our relationship with you.

Thank you and welcome to our practice!
